25X1

1. On 19 April 1953, it was reported that Dr. Pusch (fnu), head of the traffic research department in the Research Institute of the State Secretariat of Shipping, was suspended from duty by a decision of the Central Committee of the SED.
2. The alleged reason for Dr. Pusch's suspension was his declaration during a party meeting that the building of the Paretz Canal was an absurd, uneconomical measure.
